SECTION 9: The following information is provided in accordance with the provisions of Section 3.009(b), Texas Election Code.

(a) The Proposition language that will appear on the ballot is set forth in Section 1 hereof.

(b) The purpose for which the bonds are to be authorized is set forth in Sections 1 and 2 hereof.

(c) The principal amount of the debt obligations to be authorized is \$99,650,000.

(d) Taxes sufficient to pay the annual principal of and interest on the general obligation bonds may be imposed.

(e) The County intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Commissioners Court based upon a number of factors, including, but not limited to, the then current needs of the County, demographic changes, prevailing market conditions, assessed valuations in the County

and management of the County's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations vary based upon a number of factors beyond the County's control, and therefore, the County cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Proposition. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The County currently estimates that, if the Proposition were approved and the bonds proposed herein were authorized and issued in accordance with the County's current estimated project plan of finance, the maximum interest rate of the bonds is not expected to exceed four percent (4.00%).

(f) If the bonds are approved, they may be issued in one or more series, to mature serially, over a period not to exceed twenty-five (25) years from the date of issuance of each series of bonds.

(g) The County, as of its fiscal year beginning January 1, 2019 had outstanding and aggregate ad valorem tax-supported principal amount of debt equal to \$32,550,000.

(h) The aggregate amount of the interest owed on such County debt obligations, through respective maturity, totaled \$4,222,325.

(i) The County levied an ad valorem debt service tax rate for its outstanding debt obligations of \$0.039329 per \$100 of taxable assessed valuation.

If a majority of the resident, qualified electors of the County voting at the Election, including those voting early, shall vote in favor of the Proposition, then the issuance and sale of the bonds shall be authorized in the maximum respective amount contained therein, and the general obligation bonds shall be issued and sold at the price or prices and in such denominations determined by the Commissioners Court to be in the County's best interests.

SECTION 10. Authority of the County Judge. The County Judge of the County shall have the authority to take, or cause to be taken, all actions reasonable and necessary to ensure that the Election is fairly held and returns properly counted and tabulated for canvass by the Court, which actions are hereby ratified and confirmed.

SECTION 11. Severability. If any provision of this Order or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Order and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Court hereby declares that this Order would have been enacted without such invalid provision.

SECTION 12. Notice of Meeting. The Court officially finds, determines, recites and declares that written notice of the date, hour, place and subject of the meeting at which this Order is adopted was posted on a bulletin board located at a place convenient to the public at the County's Courthouse for at least 72 hours preceding the scheduled time of the meeting; that a telephonic or telegraphic notice of such meeting was given to all news media who have consented to pay any and all expenses incurred by the County in connection with providing such notice, both as required by the Open Meetings Law, Chapter 551, Texas Government Code, as amended; and that such

meeting was open to the public as required by law at all times during which this Order and the subject matter thereof was discussed, considered and formally acted upon.

SECTION 13. Authorization to Execute. The County Judge is authorized to execute and the County Clerk is authorized to attest this Order on behalf of the Court; and the County Judge is authorized to do all other things legal and necessary in connection with the holding and consummation of the Election.

PASSED AND APPROVED this the 11th day of February, 2019.
